As from 1984	7.25	14.50

(b) (i) Contributions for the purpose of article 22 (b) in respect of a period of leave without pay shall be at a percentage rate of the pensionable remuneration of the participant equal to the applicable rates specified in (a) above payable by the participant and by the employing member organization, combined. Such contribu-

tions shall be payable concurrently with such leave, by the participant in full or by the organization in full, or in part by the participant and in part by the organization.

(ii) Notwithstanding the provisions of (i) above, payments in respect of a period of leave without pay during which a disability benefit is being paid under article 33 may be made only on the cessation of entitlement thereto, or within 12 months of the resumption of pay status by the participant.

(c) Contributions for the purpose of validation under article 23 shall be payable, with interest, by the participant and the organization in the amounts which would have been payable respectively by each had service during the period been contributory.

(d) Contributions for the purpose of restoration under article 24 (a) shall consist of the withdrawal settlement received by the participant in respect of his previous participation, together with the refund, if any, received by the employing member organization in respect of such participation, under article 26 of the Regulations in force on 31 December 1982, with interest from the date of payment of the benefit or refund.

(e) In any case in which a period of contributory service accrues, or is deemed to accrue, to a participant otherwise than in accordance with article 22, contributions shall be payable, with interest, by the participant in the amount which would have been payable had service during such period been contributory, and by the organization in an amount sufficient to meet any additional obligations to be borne by the Fund resulting therefrom.

Article 26

Article 27

- (ii) the years of his contributory service in excess of 30, but not exceeding five, by 1 per cent of his final average remuneration.

(d) The benefit shall however be payable at the minimum annual rate which is obtained by multiplying the years of the participant's contributory service, not exceeding 10, by the smaller of 180 dollars or 1/30 of his final average remuneration, if the benefit so calculated would be greater than the amount under (b) or (c) above.

(e) The annual rate of the benefit shall nevertheless not be less, when no other benefit is payable on the account of the participant under these Regulations, than the smaller of 300 dollars or the final average remuneration of the participant.

(f) A benefit payable at the standard annual rate may be commuted by the participant into a lump sum:

- (i) If the rate is 300 dollars or more, to the extent of one third of its actuarial equivalent or the amount of his own contributions, whichever is greater, or
- (ii) If the rate is less than 300 dollars, to the extent of its full actuarial equivalent; if a participant is married, the prospective benefit payable to his spouse may also be commuted at the standard annual rate of such benefit.

(g) A benefit payable at the minimum annual rate or at the rate under (e) above may be commuted into a lump sum as in (f) above, if the participant elects to receive it instead at the standard annual rate.

Article 29

Early retirement benefit

(a) An early retirement benefit shall be payable to a participant whose age on separation is at least 55 but less than 60 and whose contributory service was five years or longer.

(b) The benefit shall be payable at the standard annual rate for a retirement benefit, reduced for each year or part thereof by which the age of the participant on separation was less than 60, at the rate of:

- (i) 1 per cent per year if the contributory service of the participant was 30 years or longer, or
- (ii) 2 per cent per year if the contributory service of the participant was 25 years or longer, or
- (iii) 6 per cent per year if the contributory service of the participant was less than 25 years.

(a) A deferred retirement benefit shall be payable to a participant whose age on separation is less than 60 and whose contributory service was five years or longer.

(b) The benefit shall be payable at the standard annual rate for a retirement benefit and shall commence at age 60 or, if the participant so elects, at any age not less than 55, provided that in such event it shall be reduced in the same manner and under the same conditions as specified in article 29 (b).

(c) The benefit may be commuted by the participant into a lump sum:

- (i) If the rate of the benefit at age 60 is 300 dollars or more, equivalent to his own contributions, or
- (ii) If such rate is less than 300 dollars, equivalent to the full actuarial value of the benefit.

Article 31

Withdrawal settlement

(a) A withdrawal settlement shall be payable to a participant whose age on separation is less than 60, or if he is 60 or more on separation but is not entitled to a retirement benefit.

(b) The settlement shall consist of:

- (i) His own contributions, if the contributory service of the participant was less than five years, or
- (ii) His own contributions increased by 10 per cent for each year in excess of five up to a maximum of 100 per cent, if the contributory service of the participant was five years or longer, subject to (c) below.

(c) The settlement shall nevertheless, if the contributory service of the participant was five years or longer and commenced prior to 1 April 1961, consist of the aggregate of the following amounts if such aggregate is greater than the amount yielded by (b) (ii) above:

- (i) The withdrawal settlement which the participant would have received had separation been on 31 December 1966 and had the Regulations, actuarial bases and other provisions in force on 31 March 1961 remained in force; and
- (ii) The excess of the contributions which he actually made from 1 April 1961 to 31 December 1966 over the contributions which he would have made in respect of the same period had the Regulations, actuar-

- ial bases and other provisions in force on 31 March 1961 remained in force, with interest; and

G.4 The provisions of Section G of the Administrative Rules in force on 31 December 1982 shall continue to apply to leave without pay which commenced prior to 1 January 1983.

G.5 However, participants whose leave without pay commenced prior to 1 January 1983 may, at their option, pay contributions concurrently for the unexpired portion of such leave remaining after 1 January 1983.

G.6 Participants who avail themselves of the option under G.5 may, at the same time, choose to pay the amounts due for the prior period of leave without pay.

G.7 Extensions of leave without pay which commenced prior to 1 January 1983 granted after 1 January 1983 shall be treated in accordance with the provisions applicable to leave without pay commencing after that date.

SECTION H

Determinations of incapacity and inability to engage in gainful employment

General

H.1 The determination of incapacity for the purpose of disability benefits under article 33(a) and (b) of the Regulations and of children's and secondary dependants' benefits under article 36(b) shall, by virtue of powers hereby delegated in accordance with article 4(c), be made in each case by the staff pension committee of the organization by which the participant is employed, subject to the provision that, failing unanimity, a determination with respect to a disability benefit shall be referred to the Standing Committee for decision.

H.2 In each case in which a staff pension committee has determined that a participant or a child is incapacitated, or in which a determination with respect to a disability benefit has been referred to the Standing Committee for decision, the medical

officer of the organization shall transmit a report on the medical aspects of the case to the Medical Consultant, who shall in turn report thereon as may be required by the Secretary of the Board.

Disability benefits (article 33)

H.3 A request for a determination by the staff pension committee under article 33(a) of the Regulations shall be made by the organization:

(a) Whenever during, or on the expiry of, the appointment of a participant there is reason to believe that he may be incapacitated within the meaning of article 33(a); or

(b) Whenever a participant is placed, or is proposed to be placed, on leave without pay for reasons of health; or

(c) Whenever the appointment of a participant is terminated, or is proposed to be terminated, for reasons of health.

H.4 A determination under article 33(a) shall be made by the staff pension committee at the request of a participant:

(a) Whenever the organization has not acted in accordance with rule H.3 above, or

(b) Whenever a participant alleges that on the date of separation he was incapacitated within the meaning of article 33(a).

H.5 (a) The request shall be in writing, addressed to the secretary of the committee, and in the case of a participant shall be made not later than four months after the date of separation or commencement of leave without pay, unless in the opinion of the committee there are exceptional circumstances justifying submission of the request at a later date.

(b) The request shall state the material facts on which the organization or the participant relies and the conclusions which are deduced therefrom, and shall be accompanied where practicable by a report from the medical officer of the organization, or a medical practitioner retained by the participant, as the case may be.

(c) The organization, or the participant if the request has been submitted by him, may be required by the committee to provide further evidence or information thereon prior to a determination being reached.

H.6 (a) A determination that a participant is incapacitated within the meaning of article 33(a) shall, until the participant reaches age fifty-five, be reviewed by the committee from time to time for the purpose of establishing his continued eligibility or otherwise for a disability benefit, in accordance with article 33(b).

(b) The date for each such review shall be set by the committee, having regard to the opinion of the medical officer of the organization on the prospects for the participant's recovery, and in such manner that the interval between reviews does not normally exceed three years; the committee may nevertheless review a determination at an earlier date than that set for the review if there is reason to believe that the participant is no longer incapacitated.

(c) The participant shall be informed in writing by the secretary of the committee of the date or interval set for the review in each case and shall, as and when required, submit himself to a medical examination by the medical officer, or a medical practitioner designated by him, for the purpose of providing evidence enabling the committee to reach a further determination on the continuance or otherwise of his incapacity.

(d) Upon review, the committee shall continue a disability benefit if it determines that the participant remains incapacitated; it may suspend or discontinue a benefit if the participant has failed to submit to a medical examination when required to do so, or if the results of a medical examination are inconclusive; it may impose on the participant the fulfilment of a condition precedent to the continuation of a benefit or the removal of

a suspension; and it shall discontinue a benefit when the evidence before it shows beyond reasonable doubt that the participant is no longer incapacitated; provided that a benefit so discontinued may be re-instated by the committee if it is satisfied, upon further evidence, that the participant was in fact then incapacitated.

H.7 (a) A disability benefit which is suspended or discontinued shall cease to be paid at the end of the third complete month after the month in which the decision was taken.

(b) A disability benefit which is re-instated after suspension or discontinuance shall re-commence from the date on which it ceased to be paid, unless the committee, after a review of the circumstances of the case, decides that it shall re-commence from a later date.

Disabled children's (and brother's or sister's) benefits (article 36 (b))

H.8 A determination under article 36(b) shall be made by the staff pension committee whenever the child, or the brother or sister, of a participant, eligible in other respects for a child's or secondary dependant's benefit, claims, or is claimed, to be incapacitated by illness or injury for substantial gainful employment:

(a) Upon reaching the age of 21, if immediately prior thereto a child's or a secondary dependant's benefit was payable, as the case may be;

(b) Upon the death in service or entitlement to a retirement or disability benefit of the participant, if the child is then over the age of 21;

(c) Upon the death or attainment of the age of 60 of a participant entitled to an early retirement benefit, if the child is then over the age of 21 and is claimed to have been incapacitated at the date of the participant's separation;

(d) Upon the death of a participant entitled to a retirement, early retirement, or disability benefit, if a brother or sister is then over the age of 21 and is claimed to have been incapacitated at the date of the participant's separation.

H.9 The claim shall be made in writing, addressed to the secretary of the committee, by or on behalf of the child or secondary dependant, and shall be accompanied by a report from a medical practitioner on the nature of the illness or injury and the extent, if any, to which gainful employment is possible; in the case of rule H.8(b) above, the report shall be submitted by the medical officer of the organization.

H.10 A determination that a child or secondary dependant is incapacitated within the meaning of article 36(b) shall be reviewed, *mutatis mutandis*, in accordance with the provisions applicable to disability benefits in rules H.6 and H.7 above, save that the intervals between reviews may exceed three years.

SECTION I

Entitlement to benefits

I.1 Entitlement to a benefit shall, subject to rules I.3 and I.4 below but without further action by an organ of the Fund other than as may be required to determine eligibility for a disability or incapacitated child's benefit under these Rules, vest in a participant and in the child of a participant on the day succeeding the last day of his contributory service; it shall vest in the widow, widower, secondary dependant, designated beneficiaries or estate of a participant on the day succeeding the day of his death if he died in service, and on the first day of the month succeeding his death if he died while in receipt of a periodic benefit.

I.2 Entitlement to a benefit under article 36(a) of the Regulations shall continue to the end of the month in which the child marries or reaches the age of twenty-one.

I.3 Entitlement shall be subject to certification by the Secretary of the Board, in accordance with article 7(c) of the Regulations, that the conditions for payment of the benefit have been fulfilled; the Secretary shall refer to the Standing Committee for decision any case in which he has declined so to certify.

I.4 Where, in the case of a disability benefit, a period of leave in pay status has succeeded a period of leave without pay for reasons of health, entitlement to the benefit shall vest as though the paid leave of the participant had been continuous.

SECTION J

Computation and payment of benefits

J.1 The member organization by which a participant is employed shall, upon his separation, inform the secretary of the staff pension committee of his last day of service and shall furnish such further information as the secretary may require for the purpose of computing his entitlements under the Regulations.

J.2 (a) The participant shall specify in writing, on a form provided for the purpose by the secretary of the committee, the benefit and any commutation thereof which he elects in accordance with the Regulations, his instructions with respect to the method, currency and periodicity of payment, and the banking or other institution, if such be the case, to which payment should be made for his account. Subsequent changes in the election of benefits by the participant shall not be accepted unless:

(i) no payment has yet been made by the Fund;

and

(ii) in the case of a deferred retirement benefit, in addition to meeting the condition under subparagraph (i), no letter of entitlement has yet been sent by the Fund.^a

(b) In the case of a periodic benefit, payment shall be made monthly in advance.

(c) In the case of a participant whose remuneration under the terms of his appointment was expressed in a currency other than dollars and who selects such currency for the payment of a withdrawal settlement under article 31(b)(i), the Secretary shall be authorized (as an incident of making payment under article 47(b)) to make such payment at a rate of exchange which will ensure that the amount paid to the participant shall not be less than the amount deducted from his remuneration for the purpose of article 25, without interest.

(d) In the event that the amount of a benefit paid in full in a lump sum is found to be in error, a correction shall be made if the error exceeds ten dollars.

(e) Benefits payable under the Regulations to the children of a participant shall, unless there are exceptional circumstances, be paid on their behalf to him and, upon his death, to the surviving parent or legal guardian of each child, in accordance, *mutatis mutandis*, with (a), (b), (c) and (d) above.

J.3 The participant shall at the same time, where there is a prospect that a benefit may become payable upon his death under article 37 or 38 of the Regulations, specify similarly the secondary dependant or other person designated as his beneficiary, as the case may be; in the absence of such designation, payment shall be made in accordance with the designation of the participant under rule B.5 above.

J.4 The contributory service of a participant which is used as a multiple to obtain the rate or amount of any particular benefit shall be calculated in years and fractions of

years, each complete calendar month being deemed equal to one twelfth of a year, and the total number of days comprised in the incomplete calendar months being apportioned by the addition of one month for each thirty days or part thereof of fifteen days or longer; a residual period of less than fifteen days shall be disregarded.

J.5 The contributory service of a participant which is used to determine his eligibility for a benefit shall be calculated according to the actual years, months and days comprised therein; for the purpose of determining his final average remuneration, incomplete months shall be disregarded except as provided in article 1(h).

J.6 The contributory service of a participant shall not include unused annual leave accrued at the date of separation, for which compensation is paid, or any period in respect of which payment is made in lieu of notice of termination.

J.7 The age of a participant shall be calculated in years and fractions of years from the date of his birth to the date of his separation, in accordance with the method prescribed for the calculation of contributory service in rule J.4 above; a participant shall nevertheless not be considered to have reached age fifty-five or age sixty until his fifty-fifth or sixtieth birthday, as the case may be, shall have elapsed.

J.8 The participant, and any person entitled through him to a periodic benefit from the Fund, shall be required from time to time to furnish, to the satisfaction of the Secretary of the Board, proof that he, and any person on whose behalf a benefit is paid to him, remains alive and, as the case may be, unmarried; the Secretary may, in his discretion, suspend payment of a benefit pending the receipt of such proof.

J.9 (a) Any payments made by the Fund to a participant, beneficiary of a participant or third person otherwise than in accordance with the Regulations of the Fund may be deducted from any future benefits payable to or on account of the participant under these Regulations or may be recovered directly from the person or estate of the person to whom any such payments were made.^a

(b) Two years after discovery by the Fund that any such payments were made, the Secretary of the Board, in accordance with procedures in the Administration Manual, may deem that the amounts of such payments are unrecoverable and may authorize that such amounts be written off as uncollectible indebtedness to the Fund.^a

SECTION K

Review and appeal

General

K.1 The staff pension committee of each member organization shall, at the instance of any person who is entitled to submit an application under article 48 of the Regulations, review any decision taken by it or by its secretary in the exercise of powers conferred by the Regulations or these Rules.

K.2 The Standing Committee, acting on behalf of the Board, shall in like manner review any decision taken by it under H.1 in which the medical conclusions are in dispute, any decision referred to it under rule K.6 below, and any decision by the Secretary of the Board which is not otherwise subject to review.

K.3 The decision shall, upon review, be either confirmed, rescinded, or varied to the extent necessary to bring it into conformity with the Regulations and these Rules.

K.4 An appeal shall lie to the Standing Committee, acting on behalf of the Board, from the decision of a staff pension committee taken upon review, and to the United Nations Administrative Tribunal, in accordance with article 48 of the Regulations, from the decision of the Standing Committee taken either upon appeal as above or upon review under rule K.2.

Procedure for review

K.5 A review shall be initiated by delivery to the secretary of the staff pension committee, or to the Secretary of the Board if the review is by the Standing Committee, within thirty days of receipt of notification of the disputed decision, of a notice in writing stating the points of fact or of law contained in the decision which are disputed, and the grounds upon which the request for the review is founded; the staff pension committee, or the Standing Committee as the case may be, may nevertheless, upon good cause shown, accept for review a request of which notice was delivered after the expiry of the period prescribed above.

K.6 A review by a staff pension committee shall, unless rule K.7 below applies, be completed within sixty days of the delivery of the notice prescribed under rule K.5 above, failing which the request shall be referred by the secretary to the Secretary of the Board and the review shall thereupon be made instead by the Standing Committee on behalf of the Board.

K.7 (a) Where the outcome of the review turns in whole or in part on the medical conclusions on which the disputed decision was based, the staff pension committee, or the Standing Committee as the case may be, shall obtain the advice of a medical board on the correctness or otherwise of such conclusions before proceeding with the review.

(b) The medical board shall consist of a medical practitioner selected by the participant or person requesting the review, the medical officer of the organization or a medical practitioner designated by him, and a third medical practitioner selected in agreement by the former two who shall not be the medical officer of a member organization; the board shall undertake such further examination of the medical conclusions at issue, and/or of the person who is the subject of the review, as it considers desirable, and shall report its conclusions in writing to the staff pension committee or the Standing Committee, as the case may be, which shall thereupon proceed with the review.

(c) If the decision resulting from the review varies the disputed decision, the medical fees and expenses of the board shall be borne by the Fund; if the disputed decision is confirmed, the medical fees and expenses of the practitioner selected by the participant or person requesting the review and half the medical fees and expenses of the third practitioner shall be borne by him and the remainder by the Fund; indebtedness by a participant under this rule may be recovered in accordance with article 43 of the Regulations.

Procedure for appeal

K.8 (a) An appeal to the Standing Committee, acting on behalf of the Board, from the decision of a staff pension committee taken upon review shall be initiated by delivery to the Secretary of the Board, within sixty days of notification of the decision appealed against, of a notice in writing stating the points of fact or of law contained in the decision which are disputed, and the grounds upon which the appeal is founded; the Standing Committee may nevertheless, upon good cause shown, agree to consider an appeal notice of which was delivered after the expiry of the period prescribed above.

(b) An appeal to the United Nations Administrative Tribunal from the decision of the Standing Committee, acting on behalf of the Board, shall be in accordance with the Statute and Rules of the Tribunal.

SECTION L

Transfer agreements

L.1 A participant in the Fund may avail himself of the provisions of any agreement entered into for the purpose of securing continuity of pension rights under article 13 of the Regulations of the Fund, in accordance with the terms of the agreement applicable.

ANNEX II

Rules of Procedure of the United Nations Joint Staff Pension Fund

The following provisional Rules of Procedure were approved under article 4 (b) of the Regulations by the Standing Committee on behalf of the Board at its 131st meeting on 4 December 1970, and entered into force on 1 January 1971:

SECTION A

United Nations Joint Staff Pension Board

A.1 In accordance with article 5 of the Regulations, the Board shall be composed as indicated in appendix 1 below. The Board shall meet in regular session not less frequently than once in every two years at a time and place to be decided by the Board or its Standing Committee.

A.2 Before each regular session of the Board, the secretaries of the staff pension committees shall notify the Secretary of the Board of the names of the persons appointed by the committees as members and alternate members of the Board in accordance with article 5. They shall remain accredited until the next regular session of the Board unless the Secretary of the Board is notified that a committee has made a change in its representation.

A.3 Special sessions of the Board shall be held upon the decision of the Board or of the Standing Committee, or at the request of a majority of the members of the Board. The time and place of a special session shall be decided by the Standing Committee.

A.4 All sessions of the Board shall be convened by the Secretary. Items which are proposed by any member of the Board or by any staff pension committee, at least one month before the beginning of a regular session or fourteen days before the beginning of a special session, shall be placed by the Secretary on the provisional agenda and communicated to each member of the Board and to the secretaries of the committees accompanied by the necessary documentation. Other items may be added to the agenda either at the beginning of a session or during a session if the Board so decides.

A.5 Subject to the provisions of the Regulations and of these Rules, the Board shall adopt its own procedures. A majority of the members entitled to be present at the Board shall constitute a quorum, provided that not less than two members from each of the three following groups are present:

- (a) The representatives of the General Assembly of the United Nations and the corresponding bodies of the other member organizations;
- (b) The representatives of the competent authorities of member organizations;
- (c) The representatives of the participants.

A.6 Decisions of the Board shall be taken by a majority of the members present and voting.

A.7 At the opening of each regular session, the Board shall elect a chairman and two vice-chairmen who shall preside at the meetings of the Board until their successors are elected.

A.8 A report of each session of the Board shall be prepared under the responsibility of the Secretary and approved by the Board. It shall be distributed as soon as possible to all members of the Board through the secretaries of the staff pension committees.

A.9 Staff pension committees shall have the right to be represented by observers at all sessions of the Board. Each committee may be so represented by no more than two such observers who shall not have the right to vote in the Board. Observers shall have the right to speak with the permission of the Chairman.

A.10 The meetings of the Board shall be held in private. The records and all correspondence of the Board shall be private and kept in the care of the Secretary of the Board.

SECTION B

Standing Committee

B.1 At each regular session the Board shall appoint a Standing Committee composed of nine members (together with one or more alternate members for each of them) elected from the members and alternate members of the Board or of staff pension committees. The representational distribution shall be as indicated in appendix 2 below. If an organization or group of organizations represented on the Standing Committee is unable to send its duly appointed member or alternate member to a meeting of the Standing Committee, it shall have the right to be represented by an observer, who shall not have the right to vote. Observers shall have the right to speak with the permission of the Chairman.

B.2 Whenever between sessions of the Board a member or alternate member of the Standing Committee resigns or ceases to be a member or alternate member of a staff pension committee, another member or alternate member shall be appointed by the committee to which the former member or alternate member belonged, to serve till the next regular session of the Board.

B.3 At its first session following the regular session of the Board, the Standing Committee shall elect a chairman and a vice-chairman who shall serve until a new Standing Committee has been appointed by the Board.

B.4 The Standing Committee shall act, when necessary, on behalf of the Board when the Board is not in session. It shall decide individual cases referred to it, exercise a general control on the operations of the Fund and perform such additional specific functions as may from time to time be assigned to it by the Board. The Standing Committee may on its own initiative and shall at the request of the Board or of any staff pension committee initiate preparatory work on any policy questions to the end that such questions be effectively considered by the Board.

B.5 The Standing Committee shall submit a report to the Board at each regular session on action taken by it since the previous regular session.

B.6 Meetings of the Standing Committee shall be convened by the Secretary upon the instructions of the Chairman, after consultation with its members.

B.7 Records of all meetings of the Standing Committee shall be prepared under the responsibility of the Secretary and approved by the Committee. They shall be distributed as soon as possible to the members of the Standing Committee through the secretaries of the staff pension committees.

B.8 Five members shall constitute a quorum, provided that the three groups comprising a committee under the provisions of article 6 of the Regulations are represented. Decisions of the Standing Committee shall be taken by a majority of the members present and voting.

B.9 The meetings of the Standing Committee shall be private and records and all correspondence kept in the care of the Secretary of the Board.

SECTION C

Staff pension committees

C.1 The composition of the staff pension committee of each member organization shall be in accordance with the provisions of article 6 of the Regulations. Each committee shall hold at least one regular meeting each year. Special meetings shall be held either at the decision of the chairman, at the request of the competent authority or at the request in writing of three members.

C.2 A majority of the members entitled to be present shall constitute a quorum, provided that the three groups comprising the committee under the provisions of article 6 are represented. Subject to Administrative Rule H.1, decisions of the committee shall be taken by a majority of the members present and voting.

C.3 Each committee shall elect a chairman at its first regular session of each year.

C.4 Each committee may appoint a standing committee to transact current business when the committee is not in session. Each of the three groups comprising the committee shall be represented on the standing committee. Any action taken by the standing committee shall be reported to the committee at its following session.

C.5 Records of all meetings of the committee and its standing committee shall be prepared under the responsibility of the secretary of the committee. They shall be approved by the committee and distributed as soon as possible to all members of the committee and to the Secretary of the Board.

C.6 Subject to the provisions of the Regulations and of these Rules, each committee shall regulate its own procedures.

C.7 Upon the recommendation of each committee, the competent authority of each member organization shall appoint a secretary and may appoint a deputy-secretary to the committee.

C.8 The meetings of the committees shall be held in private. The records and all correspondence of the committee shall be private and kept in the care of the secretary of the committee.

C.9 Communications between participants and the Secretary of the Board shall normally be made through the secretaries of committees, but any participant may, if circumstances warrant, communicate directly with the Secretary of the Board, who shall inform whenever appropriate the secretary of the committee.

C.10 Each committee may delegate to its secretary, subject to such procedure for supervision and reporting as the committee may consider appropriate, the power of acting on its behalf in connection with all straightforward individual cases, except those involving disability.

SECTION D

Medical Consultant

D.1 The Board or the Standing Committee shall appoint a Medical Consultant, who shall assist the Board in all medical questions.

D.2 In order to ensure the uniform application of the medical standards prescribed by the Board, the Medical Consultant and the medical officers of the member organizations shall maintain a continuous and regular contact. The medical officers of the member organizations may be invited by the Medical Consultant to furnish information on the manner in which these medical standards are being applied by them and shall, when requested, furnish to the Medical Consultant the relevant medical information as determined by him.

D.3 The Medical Consultant shall prepare an annual report on the application of the medical standards prescribed by the Board and on medical information affecting the granting of benefits from the Fund.
