Script 22 Tax/Benefit Statement

If you need an official statement giving the total gross paid to you in any given fiscal tax year (which is determined by the country in which you live), you can request it from the Fund. Once you request this statement one time, the Fund will automatically send it to you each year. Usually the Fund produces this document the month following the end of the relevant fiscal year. Please keep in mind that the Fund is not able to answer questions about taxation, it is beyond our scope of expertise. What little the Fund can tell you on taxes is on our website. We recommend that you find a tax expert in the country where you live if you have any questions.

For more information refer to the Fund's website www.unjspf.org
