Dear Retiree/Beneficiary,

20 October 2017

Subject: HURRICANES IRMA, JOSE and MARIA - September 2017: Special Emergency Fund assistance

The thoughts and prayers of the Pension Fund staff go out to all of those affected by the recent Hurricanes IRMA, JOSE and/or MARIA and the devastation that is left in their aftermath. The pictures and reports in the press leave us with the deepest of concern and empathy for all our friends and former colleagues who may have been personally impacted as a result of these hurricanes.

While we hope this has not affected any of our colleagues, former colleagues or UNJSPF beneficiaries, this is just a brief note to recall to you that the Fund has specific provisions in its Emergency Fund that could allow it to provide limited financial assistance to those retirees and other beneficiaries in receipt of periodic benefits from the UNJSPF who may have been affected by the natural disaster.

Given the circumstances, and as decided with similar events in the past that could affect a large number of retirees and beneficiaries, the Fund has decided to facilitate the processing and payment to those affected by Hurricanes Irma, Jose and/or Maria for a one-time fixed payment to help offset some of the hardship faced as a direct consequence of the disaster.

Considering the circumstances, the Fund is requesting the signed, duly completed and dated, attestation form which is attached for those that suffered hardship as a direct result of Hurricanes Irma, Jose and/or Maria and would like to be considered for this one-time fixed payment from the Emergency Fund. This will streamline the processing and ensure prompt payment from the Emergency Fund.

This one-time fixed payment of USD500.00, determined in respect to the particular circumstances described herein, should not preclude you from submitting an additional request for assistance, should your expenses attribute directly to this hurricane be in excess of the one-time fixed payment. Such additional claims would be addressed under the Emergency Fund's normal administrative guidelines and arrangements, as published in the Emergency Fund booklet available on the Fund's website at the following link: <https://www.unjspf.org/documents/emergency-fund/>. In such cases, the normal guidelines would prevail and the claim would be reviewed on a case-by-case basis, to determine if the additional hardship is proven and, if so, to decide on the payment amount.

Any claims should be sent to the dedicated email inbox emergencyfund@unjspf.org. The indication "Hurricanes Irma, Jose and Maria - September 2017" as well as your full name and Unique ID (UID) or Retirement number, should be included in the subject line of the email, so that the Fund can earmark the claim for priority processing. Although it is suggested that you submit your claim via email to begin the process, the Fund must also receive the Emergency Fund application form (attached) duly completed, dated and signed, in original format, before payment can be authorized. The Fund's address details are provided in the letter head or on the Fund's website www.unjspf.org, under the Contact Us tab.

Once the Fund receives the original application form and an Emergency Fund payment was approved, it will be made to the account currently on record with the Fund, where the UNJSPF makes its periodic payment on your behalf.

In the meantime, all of us the from the Fund hope that you and your family are staying well, despite the difficult circumstances.

Sincerely,

Maria Clarissa O'Donnell
Chief of Operations
