Acting Chief Executive Officer United Nations Joint Staff Pension Fund

Dear Ms Dunn Lee,

An agreement allowing the transfer of pension rights between the pension scheme of the European Centre for Medium-Range Weather Forecasts and the United Nations Joint Staff Pension Fund entered into force on 1 January 1981.

Contrary to the model agreement approved by the United Nations Pension Board in 2011, this transfer agreement does not cover officials on leave without pay, who are consequently excluded from the scope of the agreement and cannot benefit from a transfer of pension rights upon the end of their period of leave without pay.

In order to remedy this issue, and further to the exchanges between UNJSPF and the International Service for Remunerations and Pensions (ISRP) acting on behalf of the Pensions Administrative Committee of the Co-ordinated Organisations, I propose that the following provisions be mutually accepted as an extension of the scope of the transfer agreement between UNJSPF and ECMWF:

Leave without pay (LWOP)

Transfers of pension rights cannot be completed until formal separation from service and cessation of participation in the original Pension Scheme. Persons on secondment or loan are not considered separated and accordingly are not covered by the transfer agreement. Leave without pay status has to be terminated before pension rights are transferred.

If a person is on a leave without pay status for more than three consecutive years, during which no concurrent pension contributions are made, pension rights cannot be transferred under the framework stipulated below.

Transfer of pension rights is not permitted under the transfer agreement if the person contributes concurrently to both Pension Schemes during the LWOP period.

UNJSPF participant on LWOP

If a UNJSPF participant becomes affiliated to the pension scheme of ECMWF during a period of leave without pay from a UNJSPF member organization (not exceeding three consecutive years) and, upon the termination or expiration of such period, ceases to be affiliated to the pension of ECMWF and resumes contributory service in the UNJSPF without any break in participation, no benefit becomes payable but the provisions of Article 3 of the transfer agreement shall apply. However, the Parties acknowledge that the UNJSPF participant's status, rights or obligations as a Participant in either Party's Pension Scheme shall be determined by each Party in accordance with their respective Pension Scheme. Such period shall not count for the UNJSPF participant as contributory service in the UNJSPF under article 22 (b).

The provisions of Article 2 of the transfer agreement shall apply if, upon the termination of LWOP period, the UNJSPF participant ceases to be a UNJSPF participant and continues to be affiliated to the pension scheme of ECMWF and the former UNJSPF participant makes an election in writing to that effect within one year of the termination of LWOP period.

Affiliate to the pension scheme of ECMWF on LWOP

If an affiliate to the pension scheme of ECMWF becomes a UNJSPF participant during a period of leave without pay from ECMWF and, upon the termination or expiration of such period (not exceeding the maximum period for LWOP when no contributions are made) without any break in affiliation, ceases to be a UNJSPF participant and resumes contributory service in the pension scheme of ECMWF, no benefit becomes payable but the provisions of Article 2 of the transfer agreement shall apply. However, the Parties acknowledge that the pension scheme of the ECMWF affiliate status, rights or obligations as a participant in either Party's Pension Scheme shall be determined by each Party in accordance with their respective Pension Scheme. Such period shall not count for the affiliate of the pension scheme of ECMWF as periods of service in the pension scheme of ECMWF under Article 7 of the Rules governing the pension scheme of ECMWF.

The provisions of Article 3 of the transfer agreement shall apply if, upon the termination of LWOP period, the affiliate to the pension scheme of ECMWF ceases to be a participant in the pension scheme of ECMWF and continues to be a UNJSPF participant and the former affiliate to the pension scheme of ECMWF makes an election in writing to that effect within one year of the termination of LWOP period.

Transitional provisions

UNJSPF participants or affiliates to the pension scheme of ECMWF who had been on LWOP and later ceased to be UNJSPF participants or affiliates to the pension scheme of ECMWF may, on the same conditions and within twelve months of the date of this exchange of letters, elect to avail themselves of the provisions of the transfer agreement.

I would appreciate your confirmation to regard the present exchange of letters as a binding agreement on the interpretation and application of the provisions to which it refers.

Yours sincerely
