**UNITED NATIONS JOINT STAFF PENSION FUND**

**Notice of Election to VALIDATE**

Prior Non-Contributory Service under Article 23 of the Regulations

**INSTRUCTIONS**

1. (a) Before completing this form, please check article 23 of the Regulations to ascertain whether you are entitled to validate prior service performed in any of the member organizations of the Fund (as listed in article 3(a) of the Regulations) during which you were not entitled to participation. Administrative rules E.1 through E.6 describe the procedure to be followed.
- (b) Notice of election to validate must be submitted within one year of the date of commencement of participation and in any event prior to separation, if it occurs during that year. Failure to observe this time limit results in the permanent forfeiture of your right to validate such service.
- (c) Election may apply only to the totality of prior non-contributory service open to validation.
- (d) This notice should be sent to The Secretary of your local Staff Pension Committee.
2. As soon as possible after submission of this notice, you will be informed of the amount due and the conditions for making payment.
3. Upon receiving the information mentioned in Item 2, you will have 90 days from date of notification in which to make payment. If you do not do so within 90 days, your right to validation will be deemed to be cancelled.
