Overview of the UNJSPF and UN Pension Scheme

UNJSPF scope, purpose, and plan design

■ RETIREMENT

To provide participants with **vested** pension rights at retirement age with a pension representing **income replacement** proportionate to the participant's length of contributory service and salary earned during service.

Vesting is required, i.e., you must have contributed to the Fund for 5 years or more to be entitled to a form of life-long retirement benefit.

■ DISABILITY and DEATH

To **provide benefit coverage** and **income replacement** in case of (i) **disability** (for the participant) or (ii) **death** -in service or after retirement- (for entitled survivor/s).

Vesting is NOT required. You are covered for this risk of disability and death from the moment you qualify for UNJSPF participation, provided you were medically cleared at that time.

DEFINED BENEFIT PLAN

Part 2:
Participation in the UNJSPF:
all you need to know

UNJSPF Participation –When do I qualify and What does it mean? UNJSPF

Article 21 of the Fund's Regulations and Rules requires that two key conditions be fulfilled to qualify for Fund participation: you must be a **Staff Member** and you must have met the **6 months** contract requirement.

Staff members become participants in the UNJSPF when they...

- ...are appointed for **six months** or more,
or...
- ...complete **six months** of service on a series of appointments *without a break of more than 30 days*.

Once you are a Participant in the UNJSPF:

- Each month, both **you** and your **employing organization** contribute **a percentage of your pensionable remuneration** to the Fund. You will pay a 1/3rd contribution share, your organization will pay a 2/3rd contribution share.
- Presently this is **7.9% for you and 15.8% (double) for your organization (total of 23.70%)**. This contribution rate has remained unchanged since January 1990, i.e., for the past 30+ years!

UNJSPF Participation – Principles to keep in mind

	1. Participation in the Fund is mandatory, not optional. You are covered for the risk of disability and death from the date of joining the Fund (if medically cleared).		5. You earn compound interest on your contributions – it accrues at the rate of 3.25% per year while you remain an active participant and until your separation date.
	2. Once you become a Fund participant, contributions are automatically deducted from your salary each month and reported to the Fund on your behalf, at every year end.		6. The Fund does NOT extend personal loans to participants, or advance payments, nor can a participant make withdrawals from his/her UNJSPF contributions BEFORE separation from service.
	3. NO voluntary contributions can be made to the Fund for periods of Breaks in Service (BIS) or after separation.		7. The Fund does NOT make any payments to a third party. You can get paid into a joint account provided it includes your name.
	4. Once you reached 5 years of contributory service (CS) in the UNJSPF you will have earned “vested pension rights”, i.e., the right to elect a form of periodic, lifelong retirement benefit from the Fund upon separation from service.		8. The Fund CANNOT release confidential beneficiary related information to a third party unless the beneficiary has provided a dated and signed original written authorization to the Fund authorizing it to do so.

Participation:

Benefits upon becoming a Participant

Participation – Coverage as of Entry into the Fund Date

(Provided you were medically cleared when joining your employing organization)

Disability Benefit...

- **Monthly benefit payable if, due to an illness or injury, you can no longer continue working and the illness or injury is likely to be permanent or of long duration.**
- **Either you or your organization must apply for the benefit to the UN Staff Pension Committee (SPC). Depending on the nature of the disability, the SPC will review the awarded benefit periodically.**
- **The benefit begins after you have exhausted all of your paid annual leave and sick leave. As long as the incapacity continues, you will be paid the monthly benefit. Once you reach Early Retirement Age (55 or 58), the disability benefit will be converted to a life- long benefit and no longer require review by the SPC.**
- **The benefit amount is roughly equivalent to what your full retirement benefit would be if you had continued to work until NRA at the same step and level. There is no lump sum option for this benefit, the full amount is payable at the end of each month.**

For more information please visit: <https://www.unjspf.org/for-clients/disability-benefit/>

Participation – Coverage as of Entry into the Fund Date

(Provided you were medically cleared when joining your employing organization)

Death-in-service...

- A monthly benefit is payable for life to your surviving spouse upon your death-in-service provided you were married at the time of your death.
- The **Surviving Spouse's Benefit** would be calculated based on the value of the full normal retirement benefit to which you would have been entitled, had you continued to contribute to the Fund until your NRA at the same step and level as prior to death in service. Basically, the surviving spouse's benefit would be 50% of what your normal retirement benefit would have been, had you survived. There is no lump sum option for this surviving spouse's benefit.
- Your children under age 21 are eligible to receive a **Surviving Child's Benefit** until age 21. Children recognized as disabled by the Fund are eligible to receive such benefit beyond age 21, for as long as their disability lasts.
- **Make sure to always keep your organization up to date on your family status, to ensure all dependents are on file with your organization so they can report them to the Fund.**
- These benefits and their amounts will be discussed in more details later in the presentation.

For more information please visit: <https://www.unjspf.org/for-clients/survivors-benefit/> and <https://www.unjspf.org/for-clients/survivor/>

Participation: Additional points

Once you are a Participant, it is important to keep in mind that....

- Your future pension entitlement will increase with increases in your **Contributory Service (CS)** period and your **Final Average Remuneration (FAR)** (i.e., your pensionable income level during the last 5 years of your CS).
- How can you maximize your pension benefit?
 - **Contributory Service (CS):** The longer your CS, the higher your rate of periodic benefit accumulation (ROA). Therefore, if possible...
 - Minimize breaks-in-service (BIS) and periods of Special Leave without Pay (SLWOP) without contribution payments to the Fund (see following slides)
 - Purchase CS when eligible (see following slides)
 - **Final Average Remuneration (FAR):** Your FAR is based on the highest 36 months of Pensionable Remuneration during the last 60 months of your contributory service. The higher your grade and step during these last five years of your CS, the higher your FAR.

Ways to increase your Contributory Service....

- **At the beginning of your initial or new period of Participation** you may have options to purchase additional CS which will help you reach vested pension rights faster and increase your future benefit entitlement. These options to purchase contributory service are:
 - **Validation** (Article 23) (Option to make a prior period of employment during which you were a staff member but not yet eligible to participate in the Pension Fund, 'pensionable', i.e., part of your CS)
 - **Restoration** (Articles 24 and 24bis) (Option to "merge" a prior period of CS into another one by reimbursing a Withdrawal Settlement to the Fund or restoring a Deferred Retirement benefit; thus, you would make a prior period of CS again part of your total CS period)
 - **Transfer of Pension Rights** (Article 13 and applicable Transfer Agreements)
- **During periods of SLWOP:** Periods of SLWOP can be CS if you **make contributions during the period of SLWOP**. *Note: This is OPTIONAL and if you elect to do so, it's expensive!*

Your Pension Journey...considerations while you are a Participant:

Ways to increase your Contributory Service during SLWOP

Special Leave Without Pay (SLWOP)

- Voluntary contributions to the UNJSPF during a period of SLWOP are possible. This is entirely optional and at the discretion of the staff member.
- However, a staff member can very well decide NOT to pay contributions to the Fund during a period of SLWOP.
- The choice is up to the staff member.

SLWOP with contribution payment

- If a staff member opts to pay contributions for a period of SLWOP then that period is part of their CONTRIBUTORY SERVICE in the Fund.
- The staff member's ROA will increase accordingly.
- IF the staff member opts to make voluntary contributions during their SLWOP, they must pay UNJSPF contributions concurrently with the period of SLWOP, from day one of the SLWOP period.
- In that case, the staff member would have to pay their own + the organization's contribution shares ($1/3^{\text{rd}} + 2/3^{\text{rd}} = 3/3^{\text{rd}} \rightarrow 23.7\%$).
- Such arrangement would have to be made ahead of starting the SLWOP, between the staff member and their employing organization (Payroll Office), NOT with the UNJSPF.

SLWOP without contribution payment

- If a staff member opts to NOT pay contributions to the Fund while on SLWOP, then that period is considered NON-CONTRIBUTORY SERVICE inside their participation period.
- The staff member's ROA will not increase for this period.
- If SLWOP is granted for more than a total of 36 months within one period of participation and the staff member chose NOT to contribute to the UNJSPF, s/he will be deemed to have separated from the Fund at the end of the 36 months of SLWOP.
- **Note:** a spouse married and/or a child born to a participant while s/he is on non-contributory SLWOP is not entitled to a survivor's benefits in case the participant dies during such SLWOP period.

For more information please visit:

<https://www.unjspf.org/for-clients/special-leave-without-pay/>

Your Pension Journey...considerations while a Participant :

Impact of periods of Part-Time work or Break in Service (BIS)...

Part-Time

- If you worked periods of Part-Time, your CS is apportioned accordingly by the applicable part-time percentage.
- To qualify for UNJSPF participation, your part-time must be at the minimum 50%.
- However, to reach vested pension rights, i.e., 5 years of CS, part-time periods are counted like full time periods.

BIS

- Participation in the Fund is not allowed during a period of Break In Service (BIS) as the staff member does not have a contract with one of the UNJSPF member organizations.
- You can have periods of BIS inside your period of Participation, i.e., a BIS does not necessarily mean the end of your participation period.
- Periods of BIS cannot be made pensionable, i.e., you cannot opt to pay contributions during such period; a BIS will never be part of your Contributory Service (CS).
- If your BIS does not exceed 30 days, then your participation continues as soon as you resume employment as a staff member.
- If your BIS exceeds 30 days but does not exceed 36 months AND you did not receive a benefit from the Fund, you will need to re-qualify for Participation as per Art. 21, however, once you do, you will continue your participation, adding to your already acquired pension rights. You will retain your NRA and related rights.
- If your BIS exceeds 36 months (3 years) OR you received a benefit from the Fund, you will need to re-qualify for Participation AND start a NEW period of participation upon rejoining the Fund. You will have a new DOE and a new NRA, Early Retirement Age, etc. You will earn separate entitlements for each period of participation.
- More detailed information is available on the Fund's website:
<https://www.unjspf.org/for-clients/break-in-service/>

Break in service (BIS) and no benefit elected/payment made by the Fund

What if I did not elect a benefit/receive a payment and I rejoin the Fund within 36 months from my separation date – how can I link my previous and new periods of service? (*This is the same scenario as the Art. 32 Deferment option*)

- If you made no benefit election/received no payment from the Fund and rejoined the Fund **within 36 months** from your date of separation, **your participation will continue**. This means, your previous and your new period of contributory service will be 'combined'.
- In that case, you will receive NO payment until you again separate from service when your entitlement from the Fund will be determined based on your total contributory service at that time (previous + new period of contributory service).
- The period of break in service (BIS) in between your contributory service periods, **CANNOT** be made pensionable (the Fund does not accept voluntary contributions).

What if I did not elect a benefit/receive a payment and I rejoin the Fund more than 36 months after my separation date – can I link my previous and new periods of service?

- If your BIS is **more than 36 months**, **you cannot automatically join the two contributory service periods**. In that case, your previous period of participation ended, and **you are deemed to have elected a Deferred Retirement benefit (Art. 30)**.
- If you wish, you can apply to **restore** the Deferred Retirement benefit under **Article 24 bis**, provided you apply within 12 months from rejoining the Fund (however, this is usually not beneficial). In this scenario, it is advisable that you contact the Fund so we can review and advise.
- **You will start a new period of participation**, with a new date of entry into the Fund, and earn a new entitlement from the Fund based on your new contributory service period.

Break in service (BIS) and payment made by the Fund

- A break in service refers to the period between your date of separation and date of re-entry into the Fund
- A period of BIS cannot be made pensionable (the Fund cannot accept voluntary contributions)

What if I rejoin the Fund AFTER my benefit was paid/started into payment?

- If you rejoin the Fund **after a benefit has been paid to you (regardless of the length of your BIS period)**, you will start a NEW period of participation.
- You will have a NEW date of entry into the Fund for your NEW participation, which will determine your ERA and NRA, etc.
- You will earn a NEW entitlement from the Fund for your new period of participation.
- If you received a Withdrawal Settlement or elected a Deferred Retirement benefit which is not yet due in payment, you may apply for restoration.

Please [contact us](#) if you have questions.

Part 3:

Key definitions and factors

Important definitions used in pension discussions

- **Date of Entry (DOE):** The date on which you first become a participant in the UNJSPF. (determines your NRA)
- **Contributory Service (CS):** The period (in years, months & days) during which you pay contributions to the UNJSPF. The length of your CS will translate into your ROA .
- **Rate of Accumulation (ROA):** The amount of pension benefit in percentage terms you earn for each year, month and day of your Contributory Service. Used in calculation of pension benefit.

Important definitions used in pension discussion

- **Pensionable Remuneration (PR):** The scale used to calculate your monthly pension contributions **based on your Grade & Step.**
 - Looks like a salary scale, but is used **only** for pension purposes
 - For Professional staff, the PR scale is applicable to every duty station around the world. The same Grade and Step during the same months will have the same PR rate and, therefore, pay the same amount of pension contributions.
 - For Local/General Service staff, the PR scale is equal to your gross pensionable salary plus any pensionable allowances (such as language allowance); (refer to Art. 51 of the UNJSPF Regulations and Rules).
 - PR scales are determined by the International Civil Service Commission (ICSC).
 - **Your PR is NOT what your future retirement income will be.**

Revision 41

Important definitions used in pension discussions

How to determine your early and normal retirement ages for pension purposes (ERA & NRA)

- The UNJSPF Regulations determine your ERA & NRA
- Your NRA is the age at which you are entitled to an unreduced retirement benefit under Art. 28.
- Your ERA is the age as of which you are entitled to an early retirement benefit under Art. 29.
- Your Date of Entry into Fund participation determines your ERA and NRA:

Normal Retirement Age (NRA) (Vested with CS = or > 5 yrs):

- 60 if entry into the Fund before 1 Jan 1990
- 62 if entry into the Fund on or after 1 Jan 1990
- 65 if entry into the Fund on or after 1 Jan 2014

Early Retirement Age (Vested with CS = or > 5 yrs):

- 55 or older but less than 60/62 if entry into Fund before 1 Jan 2014
- 58 or older but less than 65 if entry into the Fund on or after 1 Jan 2014

Deferred Retirement Age (Vested with CS = or > 5 yrs):

- At any age younger than NRA, even if younger than 55/58

Mandatory Age of Separation (MAS)

- The Staff Regulations determine your MAS
- Your MAS is the age your employing organization sets as **the age at which you must separate from service** (the Fund has NO say in this).
- The Fund does not consider your MAS when determining pension entitlements.
- Your MAS and NRA may be different; your MAS may be later than your NRA as it is independently determined by your organization.
- You may continue to work and contribute to the Fund past your NRA, thus continuing to accrue pension benefits; **for as long as you have reached at least your NRA at separation, you are entitled to a normal retirement benefit under Art. 28.**
